USE OF STUDENT PHOTOGRAPHS: WITHHOLDING AUTHORIZATION NOTIFICATION

St. Peter's Lutheran Preschool uses photographs of students in printed materials and on school websites. As we improve, update, and enhance our Internet sites, we will continue to include student photos. Due to potential liability involving unauthorized transmission of photos and other general individual information concerning St. Peter's Lutheran Preschool students, notice is given to all parents/guardians in the event they wish to withhold authorization. The school must be notified by the first day of the current school year. Please note that general information may include student names in relation to school related activities. Student addresses, phone numbers, or other contact information will not be published. Pictures or images of a student may be taken and used for appropriate educational purposes such as but not limited to school records, school publications and extra curricular activities. Except in the school newspaper and yearbook, only the student's first name may accompany his/her picture when published. The school will take reasonable precautions against distribution of personal student information to protect its students.

PESTICIDE ADVISORY

As part of St. Peter's Lutheran Preschool pest management program, pesticides are occasionally applied. You have the right to be informed prior to any pesticide application made to the school grounds and building. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. When scheduling an application, we try to allow at least 15 hours before school is in session. If you need individual prior/post notification for health reasons/risks such as allergies or an unusually low tolerance for specific chemicals, please complete the information below and return this form to the school office. If you do not require notification, please indicate this also. You may contact the school office (453-0460) if you have any questions regarding this letter.

PESTICIDE PRIOR NOTIFICATION REQUEST

Please Check One:

_____ I wish to receive individual notification prior to a scheduled pesticide treatment inside the building.

_____ I wish to receive individual notification prior to a scheduled pesticide treatment on the outside grounds of the school.

_____ Both of the above.

_____ I do not need/wish to be notified prior to a scheduled pesticide treatment of the building or grounds.
