

**IMPORTANT ANNOUNCEMENTS**  
**Coronavirus Avoidance Beginning 3/18/20**

Out of love for our neighbor and to heed the instruction to shelter at home, Worship Services are cancelled until further notice due to spread of COVID-19.

It is our intent to resume worship services and other face to face activities when the current health crisis is over.

This also means Sunday and Wednesday Bible Classes, Choir practices, Board and Council Meetings are also cancelled during this time frame. Understanding that the work of the boards and council must continue, please use other means (i.e. email, text, phone, video conference) to communicate. A video meeting of the church council is scheduled for April 7, 8:00 PM.

Plans are currently underway to share Scripture readings, sermons, services, etc. It will be done by email, but we are also intending to have the sermon recorded on video and a link to watch it at your home. This is a fluid situation and we are exploring what technological means can be effectively used. Please watch your email or call/text me (734-658-5735) if you have any questions.

I will be happy to bring Private Communion to you at your home or at church during this hiatus, again please contact me directly (734-658-5735) to schedule an appointment. If a pastoral emergency should arise, do not hesitate to contact me. I will bring pastoral care to you whatever the situation.

During this time with no worship services, it is anticipated our offering income will be impacted. Please send your offerings by mail or electronic transfer to:

St. Peter's Ev. Lutheran Church  
1343 Penniman Ave.  
Plymouth, MI 48170

Please continue to pray for our congregation, community, nation, and world that this chastisement comes to a quick end.

*Psalms 46:10 "Be still and know that I am God"*

Pastor Paul Schaefer
