HURON VALLEY LUTHERAN – Great News about the HVL International Student Program! This past school year we were blessed to share Christ with five international students. We thank our host families who opened their homes to these students. For the coming school year, we already have four new students who have chosen to enroll at HVL and we expect more. Host families are needed now! Our international student program is growing and it is a blessing to share the Gospel with them and to experience this cultural exchange. One young 9th grade student from Thailand has applied and we are having trouble finding a host family as he needs a house which does not have pets because of allergies. Are you able to help? The current compensation for a host family is about \$600-\$700 per month for 9 months. If you would like to learn more about this student, please contact the high school office. In addition, there are more international students who have applied who need a host family. If you are interested in hosting a student, or if you would like more information, please contact the HVL international student coordinators, Kim Pappenfuss (507-380-7417) or Deb Purdue (734-377-5010). The process to host an international student has started so please contact us as soon as possible.
